How are my Points calculated?

- We will calculate your Points with each eligible transaction and award (or deduct) the resulting Points, including two decimals (for example, $\$1.01 \times 1 = 1.01$ Points).
- We calculate and round Base and Bonus Points separately.

Base Points

- We calculate the number of Base Points you will earn with each purchase or return transaction you make.
- The transaction amount (positive or negative dollars) multiplied by your base earn rate of 1 Point equals your Base Points.
- For example, a purchase of $\$1.01 \times 1$ base earn rate = 1.01 Base Points.
- Similarly, a return of $-\$1.01 \times 1$ base earn rate = -1.01 Base Points.

Bonus Points

- You may earn Bonus Points based on meeting certain criteria or taking certain actions (such as enrolling in the Preferred Rewards program); details will accompany the offer.
- We calculate the number of Bonus Points you will earn with each purchase or return transaction you make, but separately from the calculation for your Base Points.
- The transaction amount (positive or negative dollars) multiplied by the bonus earn rate for that particular offer equals your Bonus Points.

- For example, a purchase of \$1.00 x .50 bonus earn rate = 0.50 Bonus Points.
- Similarly, a return of -\$1.00 x .50 bonus earn rate = -0.50 Bonus Points.

Points Rounding

- Any Points calculations resulting in more than two decimals will be rounded up to the next hundredth of a Point (for example, 1.013 rounds up to 1.02).

How do I earn Points?

- Earn 1 Base Point for every \$1 spent on Net Purchases. \$1.01 x 1 earn rate = 1.01 Points.
- There is no limit on the number of Points that can be earned.
- From time to time, special promotions may feature the ability to earn Bonus Points; details will accompany the offer.
- Points are subject to verification.

Visit the Site or refer to your monthly billing statement to see how many Points you've earned.

Transactions not eligible for Points

You won't earn Points for:

- Balance Transfers and Cash Advances, including but not limited to, travelers checks, money orders and other cash equivalents
- Fees, interest charges and credit insurance
- Fraudulent transactions

What you need to know

- Accrual of Points earned through the Program may begin on the date We mail the Card and the Credit Card Agreement to you.

If I'm a Bank of America customer or Merrill Lynch client who has qualified for and enrolled in the Preferred Rewards/Banking Rewards for Wealth Management Program, how do I earn the Preferred Rewards/Banking Rewards for Wealth Management Bonus ("Preferred Rewards/Banking Rewards Bonus")?

What you should know

- To be qualified for enrollment in the Preferred Rewards/Banking Rewards for Wealth Management Programs, you must own certain Bank of America deposit accounts and maintain specific balances in Bank of America deposit accounts and/or in Merrill Lynch investment accounts. Details are available at bankofamerica.com/preferred-rewards.
- After enrolling in the Preferred Rewards/Banking Rewards for Wealth Management Programs, or if you are already enrolled and open a new Card, it may take up to 45 days for the Preferred Rewards/Banking Rewards Bonus to become active on your Card.
- If you move to a higher (or lower) reward tier, it may take up to five days for the higher (or lower) Preferred Rewards/Banking Rewards Bonus to become active on your existing Cards.
- For enrolled clients who change their card type, as long as the new Card is an eligible credit card, it may take up to five days for the Preferred Rewards/Banking Rewards Bonus to become active on the new Card. A complete list of ineligible cards is available at bankofamerica.com/preferred-rewards.

- If more than one Cardholder on a Card account (Primary Cardholder and Joint Cardholder) is enrolled in the Program, the account will receive the Preferred Rewards/Banking Rewards Bonus level based on the Cardholder with the higher tier.
- If a Joint Cardholder with a higher tier is added to a Card account, it may take up to 45 days for the higher Preferred Rewards/Banking Rewards Bonus to become active on that Card.
- Your Preferred Rewards/Banking Rewards for Wealth Management Program enrollment status and tier can change depending on the balance you maintain in your qualifying deposit/investment account(s).
- The Preferred Rewards/Banking Rewards Bonuses are calculated and awarded separately from any other Bonus Points or account-opening bonus, if applicable.

How the Preferred Rewards/Banking Rewards Bonus works

- If either the Primary Cardholder or Joint Cardholder on the account is enrolled in the Preferred Rewards/Banking Rewards for Wealth Management Programs, the Preferred Rewards/Banking Rewards Bonus will be added as Bonus Points to the Base Points you earn with each \$1 spent on Net Purchases.
- The amount of Bonus Points you earn depends on your Preferred Rewards/Banking Rewards for Wealth Management Program enrollment status and tier at the time the purchase posts to your account as follows:
 - Gold tier (25% bonus earn rate): Earn 1.25 Points (.25 Bonus Points + 1 Base Point).
 - Platinum tier (50% bonus earn rate): Earn 1.50 Points (.50 Bonus Points + 1 Base Point).
 - Platinum Honors tier (75% bonus earn rate): Earn 1.75 Points (.75 Bonus Points + 1 Base Point).

- Banking Rewards for Wealth Management (75% bonus earn rate): Earn 1.75 Points (.75 Bonus Points + 1 Base Point).

- For example, if you earn 100 Base Points, the Preferred Rewards Bonus (based on your tier when the purchase posts to your account) will add 25, 50, or 75 Bonus Points, totaling 125, 150, or 175 Points.

How do I redeem my Points?

Go to MLBExtraBases.com or call the numbers listed under each redemption option.

What you need to know

- Points are available for redemption as soon as they appear on your monthly billing statement.
- The most up-to-date number of Points you have available to redeem (which reflects any Points adjustments, transfers, or redemptions) is available online or by calling Us at 877.494.7755 and may differ from the available Points shown on your last monthly billing statement.
- You can only redeem Points in whole-Point increments, but any fractions of Points will continue to accumulate toward the next whole Point for future redemptions.
- Points cannot be redeemed if the account is not in good standing at the time of redemption.
- Points accrued during any Billing Cycle in which the account is two cycles or greater past due at the end of the Billing Cycle will not be awarded.
- In order to redeem for Rewards, you must be an individual (no corporations, partnerships or entities).
- If your account loses charging privileges but regains its good standing before the point of account closure, your Points will be available for redemption once the charging privileges are restored.
- For new customers, accrual of Points may begin immediately upon processing of account opening. If you are an existing

credit card customer and your account is converted to the Program, you may not be issued Points until the first day of the Billing Cycle, beginning after you receive the Card(s).

- If the owner(s) of the Card account voluntarily closes the Card account, or if for any reason We close the Card account, any unused Points associated with the account are subject to immediate forfeiture, unless specifically authorized by Us within 90 days of the closure.
- However, if the Card account is closed in connection with a death or incapacity of the Card account owner, Points eligible for redemption may be redeemed if an authorized representative of the estate, as determined by Us, requests Points redemption within 57 days of an account closure. Whether Points are eligible for redemption depends on the final status of the account, is subject to the account being closed and paid in full, and is in Our sole discretion. Rewards will only be issued upon request and in the name of the deceased Primary Cardholder. In the event redemptions are mailed, they are sent in the name of the deceased Primary Cardholder and to the address We have in Our system of record for that person. These redemption provisions do not apply to jointly held accounts where there is at least one surviving owner of an account.
- When you request a Reward, Points will be deducted from your account based on the Point value of the specific Reward on the date of the request.
- All redemptions are final once processed.
- You can't transfer or sell Points to another person. However, you may be able to transfer Points from one Bank of America account to another. Call for more information to see if your account qualifies.
- Points are non-negotiable, and cannot be redeemed for any benefit except those Rewards designated by Us.
- Points are not property of any Cardholder or other person, and may not be brokered;

- bartered; attached; pledged; gifted; sold; or unless specifically authorized by Us, transferred to anyone else under any circumstances, including, but not limited to: disability; death; upon operation of law, or in connection with any domestic relations dispute and/or legal proceeding.
- We shall have no liability for disagreements between Cardholders regarding Points.
- Unless specifically authorized by Us, Points may not be combined with other discounts, special rates, promotions or other reward programs offered by Us.
- Points transfers between credit card accounts issued by Us are only available on certain programs. Refer to the Site for more details.
- Points may not be combined with any other entity, including airline frequent flier, hotel frequent guest or other travel-related or membership reward charge or credit card programs, whether in the U.S. or abroad.
- Points expire five years after the month they were earned.

(except if your Card has been reported as lost or stolen, subject to verification).
